Risk Factors Predictive of the Problem Behavior of Children At-Risk for Emotional and Behavioral Disorders

<http://www.cec.sped.org/AM/Template.cfm?Section=Home&Template=/MembersOnly.cfm&ContentID=8320>

Preventing Problem Behaviors

This ground-breaking book provides successful classroom and school-wide strategies that can stop problem behavior before it starts. It's the perfect "launch pad" for your school's prevention programs and can lead to better outcomes for students, teachers, and the school at large.

Managing the Cycle of Acting-Out Behavior in the Classroom

This publication provides practical and safe strategies to manage and prevent acting-out behavior such as defiance, tantrums, threats, resistance, avoidance, and classroom disruption. This book presents an insightful model that depicts acting-out behavior in seven phases. The characteristics of each phase are fully described. Strategies are presented for interventions that can be used for each phase. Case studies are described. Includes resources and relevant references.
