Iowa Summer Camp List

PROVIDED BY ASK RESOURCE CENTER

Summer is all about having fun, and at ASK Resource Center we want to make it easier for children and young adults with disabilities across Iowa to access all the summer fun their hearts desire! Regardless of your child's age or ability, planning is an essential component for a smooth-sailing summer. Our annual Iowa Summer Camp list is here to help by offering travel planning tools and information about camps, day programs and inclusive activities available across the state!

We are providing contact information for currently scheduled camps and activities for you to check websites or call to confirm what is being offered. Each camp will also be able to inform you of any guidelines for their specific camp.

DID YOU KNOW?

The Americans with Disabilities Act (ADA) requires summer camps and programs to provide reasonable accommodation for individuals with disabilities. Activities may be adapted or modified to promote your child's success and involvement in any camp. ADA is in place to ensure that accommodations and supports are available to allow your child to participate fully in everyday life, including camps.

FINANCIAL ASSISTANCE & SCHOLARSHIPS

ASK Resource Center does not provide scholarships or stipends for the programs on this list. If your family is in need of financial assistance in order to send your child to a camp or program, you are encouraged to contact the camp or program directly, or check with local faith communities, charities, or philanthropic groups in your area.

CHILDREN AT HOME The Children at Home program helps families of children with disabilities (up to age 22) by providing financial assistance for services not covered by other programs. For eligibility and application information visit www.iafamilysupportnetwork.org/children-at-home.

FLEX CARE Many employers offer tax deferred dependent care programs, also known as “flex care,” that may consider day camp an allowable expense for reimbursement (overnight camps are not eligible). Refer to the guidelines for your specific plan, or ask your employer if this is an option for you.
